## Phase 3a - The 'f' Sound

Read the story. Can you find any 'f' words? Look for **f**, **ff** or **ph**.

Remember to read the word to check it has the right **sound** before you highlight it.

Every Friday, my friend phones me to see if I want to play golf or go fishing. We always have so much fun! When we finish, we sometimes go for some fast food, as a special treat. I might stuff my face full of pizza and cheese puffs. I sometimes have a fizzy drink too. Before we go home, we pull some funny, foolish faces and take a photo of the two of us enjoying our Friday fun day.

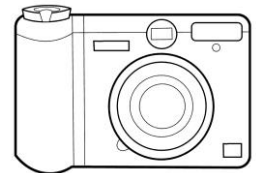

Complete the 'ff' sentences using the correct words (as an extra challenge-hide the words below and try to spell them yourself)
