

Diary Entry

WALT: write a diary entry for *Grace Darling* on the night of her rescue. Include details of what happened and how she may have felt.

The image shows a vertical sheet of paper with a hand-drawn, irregular, torn border. The paper is ruled with horizontal lines, providing space for writing. The top edge of the paper is slightly curled, suggesting it might be part of a notebook or a page from a diary. The overall style is simple and illustrative, suitable for a classroom activity.
