Dear Parent / Guardian,

Windsor Hill Primary School Uniform Policy Review

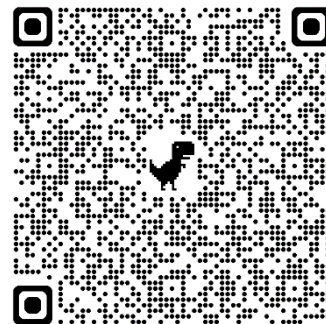

School uniform promotes inclusion and pride in our school, contributes to our ethos and we have always made effort to make it as accessible and practical as possible.

Recently in the media there have been reports on the growing cost of school uniforms, especially in post primary schools. In the light of a growing concern about the impact this is having on families, the Minister for Education has asked all schools to review their current school uniform arrangements and update their uniform policy in the light of Department of Education guidelines, which will soon become law.

As we begin to review our uniform policy, we would appreciate parents' views on our school uniform which has not changed for a very long time. Please find below a link to a short 'Google Form Questionnaire' which we invite all staff and parents to use to share your opinion.

Use the link or QR Code below to complete the survey which will be open until Tuesday 15th October.

Thank you for your continued support and please feel free to contact us should you like any more information.

Yours faithfully,

Miss I McKane
Principal
