### ***Traffic and Parking Outside School***

Dear Parent/Guardian

You may have recently noticed PSNI Officers outside school in the morning or after school. They have received complaints about traffic parking along Church Avenue. I fully appreciate, especially on a wet day, space is limited. The Community Policing Unit are very keen to work with the whole community and want to resolve this inconvenience without resorting to parking tickets etc.

Parents parking on Church Avenue are asked **not to park across private driveways or along the zigzag lines**. The Department of Infrastructure has been contacted, requesting that the school road markings are replaced, as we appreciate at present the zig zag lines are very faded.

PSNI officers will continue to monitor the situation over the next few weeks. Everyone's immediate co-operation with this request will make collecting the children safer for everyone.

Accompanying this letter is a copy of one of the flyers the police were providing parents with yesterday.

Please feel free to contact me should you require any additional information.

Yours faithfully,

I. McKane  
Principal
