Dear Parent / Guardian,

Invitation to Windsor Hill Primary School Community's Macmillan Coffee Morning.

For several years our Foundation Stage Classes have supported the Macmillan Coffee Morning appeal, in different forms, over the last few years the younger children did their 'baking' in school and took their creations home where they shared their goodies with family and friends.

We have always been overwhelmed and extremely grateful for the generosity of parents and friends to this event.

We are once again asking for your support for a Coffee Morning in school with a different format. **We extend our invitation to all our parents and friends to join us next Friday in support of this very worthwhile charity.**

Everyone who can make it will be very welcome, to drop into the assembly hall between 9:30am and 11:30am for our first whole school Macmillan Coffee Morning.

Some of our classes will be making items to serve at the event and we would also welcome donations of traybakes from parents as well.

Donations can be sent to school with the children on Thursday or can be left on the tables at the back of the assembly hall on Thursday afternoon up until 4pm.

We will have collection boxes in the assembly hall for donations in aid of Macmillan Cancer Care, or if preferred can be sent into school with your child in a sealed envelope, clearly marked MacMillan Coffee Morning.

Please note, due to pupils with allergies, we are a nut free school and no food items containing NUTS can be served.

We really hope that as many as possible will be able to join us, meet staff and other parents and support our efforts for this very worthwhile charity.

Yours faithfully,
Miss I McKane
Principal
