Principal: Miss I McKane
Vice-Principal: Mr P. Morrow

Dear Parent / Carer / Guardian,

The Integrated Education Bill

Windsor Hill, a controlled school, has an inclusive ethos where all our pupils are valued and I believe all Governors and staff work hard to ensure that our children are educated in a nurturing environment where they are all respected as individuals. Our School motto is 'Care, Courtesy and Consideration', and I trust that is your experience working in partnership with us in Windsor Hill. Life for us all is very busy and to be honest I am usually oblivious to a lot of what is going on in the world outside school, let alone Bills and legislation in Stormont unless emailed directly from DENI or EA, but this Integrated Education Bill has been brought to my attention. In its current form, it has some negative implication for all schools which are not integrated as outlined below. I have been asked to circulate this information, asking for your support by The Controlled Schools Council and concerned Principals from across Northern Ireland.

I am writing to make you aware of a serious and significant development in education, which will impact on the future of Windsor Hill Primary School and controlled schools. Currently a private member's bill, the 'Integrated Education Bill', is progressing through the Northern Ireland Assembly, which gives preference to integrated Schools above every other type of school. If this bill is passed, in its current form, it means that integrated schools will have advantages and will benefit from more opportunities for extra places, additional schools and resources including funding. Windsor Hill Primary School and controlled schools in Northern Ireland will not benefit from this. Details of the bill can be found at <http://www.niassembly.gov.uk/assembly-business/legislation/2017-2022-mandate/non-executive-bill-proposals/integrated-education-bill/>.

As you know our school is well established and has been part of our community for many years. It is open to all young people to be educated together as are schools across the controlled sector. There has been no direct consultation with schools, parents or the community. There are a number of different school types in Northern Ireland, and it is important that each type of school has equal access to resources, funding and opportunities and that one school type is not elevated above another. We firmly believe that all children and young people should be educated together. This is happening in Windsor Hill Primary School and across controlled schools every day. This bill ignores that fact, is inequitable and prioritises one type of school.

Our support body, the Controlled Schools' Support Council, has provided evidence to the Assembly Committee for Education stating the above and continue to talk to individual assembly members and local councillors, raising our concerns: https://www.youtube.com/watch?v=zyi_hpmSV_c. If

you share these concerns, we would ask you to do likewise to ensure that all our local Assembly Members (MLAs) are aware of this, as a matter of urgency. The bill reaches its final stages in the Assembly on the 7th and 8th February. It is important that the wider community is aware of our concerns around the impact of this bill.

I have attached to this correspondence the email addresses of the MLA's who represent our constituency. Your local Councillors can be found on the Council webpage.

<https://www.newrymournedown.org/your-councillors>

I thank you for taking the time to read my concerns and would encourage you to act, as I have done with some of our elected representatives, if you share them.

Yours faithfully,

I. McKane
Principal.

Rev. B Colvin
Chair of Governors
