Dear All

Thank you for being there for children with cancer across Ireland

Because of your very kind gift of **£820.00** more children will now be supported through their tough cancer journey. Your gift will make a huge difference to families that are struggling to cope.

Thank you!

My challenge was over 10 days. But for some families, cancer treatment can last up to three years - imagine that for a challenge! The worry, the constant hospital visits, your family separated during hospital stays, and juggling work and life in the background.

By giving your support to Rory's Miles 2 Mayo we can now offer more families a lifeline during this time. We can make a difference to children like Maggie.

Maggie found out she had a brain tumour on the 9th October 2020, four days before her 13th birthday. With Cancer Fund for Children's support, Maggie's family were able to have a short break at Daisy Lodge, and Maggie's greatest wish is that more children get the chance to go there

"I have stayed at Daisy Lodge in Newcastle and would love everyone with a cancer diagnosis to get the opportunity to stay there as it was so much fun"

Please turn over...
