Thursday 22nd April 2021

Dear Parents,

Thank you for your continued support while we continue to work around Covid restrictions in school. We are now well settled back into school and continue to operate in our class bubbles during the day. While it is encouraging that infection rates continue to stay low for our area, vaccines are rolling out to younger people and for us in school, we continue to be on our guard and will maintain our staggered finishing time until further notice.

Please continue to collect your children promptly. Parents are asked not to gather around the school entrance to chat. While this very much contradicts our Welcoming Schools Ethos, it is part of our overall risk reduction strategy and ask everyone to comply for the time being.

As we settled back into lessons and learning, you may become aware of gaps or topics your child needs further consolidation of as a result of being out of school from December to March. Please be assured staff are also watching out for this and will adjust their lessons accordingly as required. If you have any concerns, regarding your child's learning or wellbeing, please do not hesitate to contact the office. We can make arrangements for a telephone appointment with either myself or your child's class teacher. It is better to speak to someone sooner rather than later and we will do our best to help.

School Uniform

As the weather is getting warmer, children may, if they wish wear summer uniform to school. This is not compulsory. Please contact the school office if you require information regarding the summer uniform.

Second Hand uniforms

We would welcome donations of old uniform in good condition to school between now and the end of term.

Milk

Milk deliveries will resume on the week commencing Monday 23rd April for all those children who had already paid for milk before Christmas. This payment will cover milk until the end of June.

Unfortunately, new orders for milk cannot be taken for next week but if your child would like to start taking milk from Tuesday 4th May, please send payment of £8.40 to the office by Tuesday 27th April. **The last day for new orders is Tuesday 27th April.**

COVID REMINDER

*Please do not send your children to school if they are unwell, **particularly if they have any Covid symptoms:***

- High Temperature, New / Persistent Cough, Loss of taste or smell – Stay at home, isolate and book a test. <https://covid-19.hscni.net/testing>
- Inform school immediately and advise us of the result as soon as possible.
- Pupils do not return until symptoms have gone for at least 48 hours – even if the test result was negative.

Where a child has been in school it is essential that parents inform the principal by email immediately if he / she becomes unwell with Covid symptoms or is being tested, even if the result ends up being negative.

Thank you all for your continued support and co-operation. Please feel free to get in contact should you require further help or information.

Yours faithfully,

I. McKane
Principal
