Wednesday 3<sup>rd</sup> February 2021

Dear Parents,

Thank you all for your contribution to Children's Mental Health Week and your continued input to remote learning. Please feel free to email me pictures of how your children are 'Expressing Themselves' which I would be delighted to add to Mental Health Page on the school website.

### **Supervised Learning**

*Please do not send your children to school if they are unwell, **particularly if they have any covid symptoms:***

- High Temperature, New / Persistent Cough, Loss of taste or smell – **Stay at home, isolate and book a test.**  
<https://covid-19.hscni.net/testing>
- Inform school immediately and advise us of the result as soon as possible.
- Pupils do not return until symptoms have gone for at least 48 hours – even if the test result was negative.

Where a child has been in school for supervised learning it is essential that parents inform the principal by email immediately if he / she becomes unwell with Covid symptoms or is being tested for Covid, even if the result ends up being negative. The Public Health Agency(PHA) procedures are very efficient and robust should a member of our community test positive, but it speeds the process up if we know in advance that someone is being tested as we are able to identify close contacts before the PHA begins their work with the school. Everyone's co-operation with this request would be very much appreciated.

### **Cover for children of Keyworkers and Vulnerable Groups – Week Beginning Monday 8<sup>th</sup> February**

*(9:00am – 3:00pm or 2:00pm for younger pupils if more convenient). Everyone must book in on a weekly basis as staffing rotas are planned in advance.*

Keyworker parents, **who have no alternative childcare provision**, are asked to email [imckane521@c2kni.net](mailto:imckane521@c2kni.net) stating the days the children need to attend for the week. Please email as early as possible and before 2pm on Friday 5<sup>th</sup> February.

P1 – P3 children should come into the P3 classroom via the Emergency Exit in the car park. P4 – P7 pupils are asked to come in through the normal side door in front of the office and go upstairs to the P5 classroom.

There are no school meals, the children therefore need to bring a lunch each day. There also need to bring a pencil and rubber, their morning snack and a water bottle.

### **Parents Flo Zoom Sessions**

Kate O'Hanlon's look at 'Word Blindness' last week was excellent. Parents who are interested in linking in with Collette Delargy at 8pm next Tuesday to look at numeracy, will be welcome - email [imckane521@c2kni.net](mailto:imckane521@c2kni.net) and the link will be sent the day before.

### **Internet Safety Day**

It is not my intention to bombard you every week with events, but given that so much of our routine has moved online, it is worth highlighting **Internet Safety Day** which is Tuesday 9<sup>th</sup> February. A page has been added the school website into which two videos, (One for older and one for younger children) will be added and a few resources for your information.

Best wishes for another week's 'Remote Learning' and please feel free to get in touch should you require any assistance.

Yours faithfully,

I. McKane  
Principal
