

## Windsor Hill Primary School Parent's Workshops via Zoom

Dear Parents,

I am delighted to invite parents to join up to three Zoom Programmes for teachers and parents over the next few weeks which are being provided by "FLO".

FLO, The Family Learning Organisation, is a local group of Educationalists, **Colette Delargy, Kate O'Hanlon and Liz Jones**, who have collectively considerable expertise and experience providing educational training. Liz has worked with Windsor Hill on the DELTA Programme in the past while both Kate and Colette, have provided excellent training for staff in literacy and numeracy working with the SELB. These ladies are very much experts in their field and I would therefore encourage parents to consider linking in to these sessions.

Zoom has being a very popular means of connecting with family and friends during lockdown which most are now familiar with Zoom.

Parents interested in joining the sessions are asked to email: [imckane521@c2ken.net](mailto:imckane521@c2ken.net) and I will be able to send the zoom link to those who have registered the day before the sessions.

Please feel free to contact me should you require any additional information.

Yours faithfully,

I McKane
