

Daphne Stays At Home

A Barnardo's SEL story

Daphne needs to stay at home so she is safe.
Daphne feels sad.

Daphne misses her friends Twiggie, Duke and
Henrietta. She also misses her teacher Miss
Cathy.

Twiggle has to stay at home too. Twiggle feels sad. Twiggle calls Daphne for a chat.

Daphne is happy to talk to Twiggle.

Twiggle tells Daphne some things she could do to feel better.

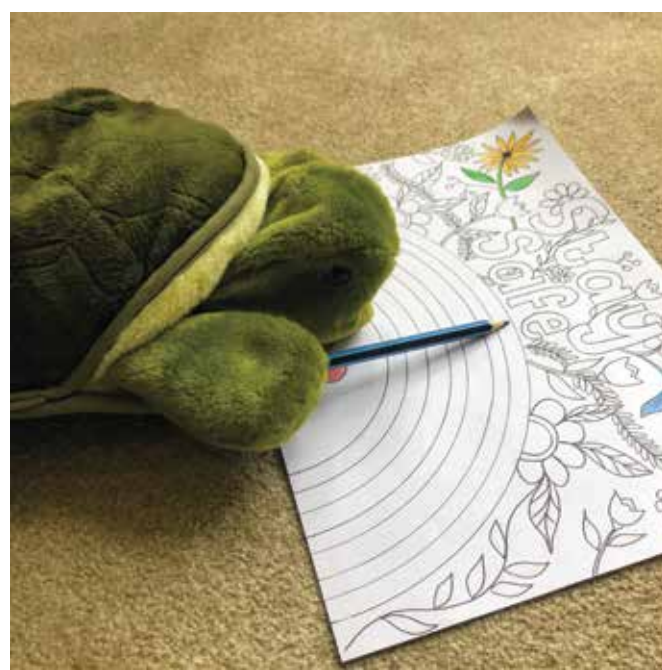

Twiggle says she could read a book.

Twiggle says she could play in the garden.

Twiggle says she could play a game with her family.

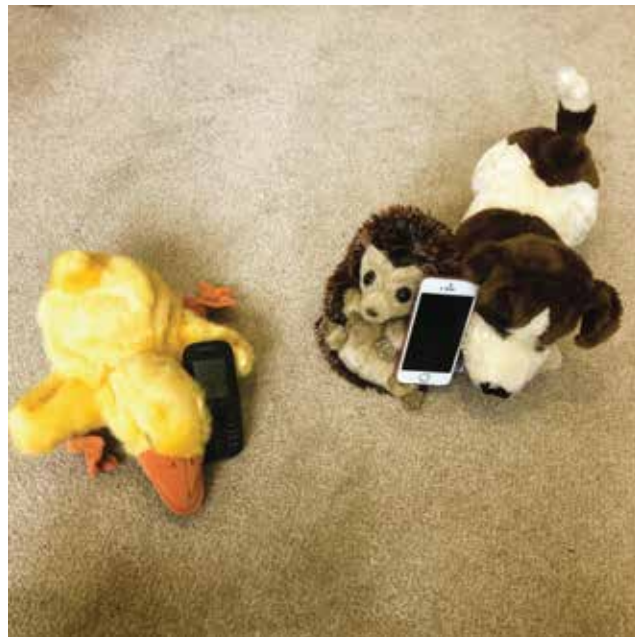

Twiggle says she could colour a picture.

Twiggle says she could
bake cookies.

Twiggle says she could
eat them too!

Twiggle says she could call Duke and
Henrietta. Twiggle says she could tell
them a joke or give them a
compliment.

Daphne tries some of Twiggle's ideas. Daphne feels happy.

Daphne stays safe at home and still has fun.

Can you think of anything else Daphne could do to stay safe at home and have fun?
